Dear Mr. and Mrs. Scheiner,

As you probably remember, I was one of the recipients for the Make A Difference Award. I am writing now to thank you for being wonderful hosts. Also to thank you for opening doors to my future. I'm also grateful to all the people at Associates and Bruce L. Scheiner who helped work on the banquet. We had the most outstanding time there. Mr. Scheiner I will most likely be contacting you in August about attending West Point; Mrs. Scheiner I will most gratefully take your advice and join the JAGG Team once I am in J.R.O.T.C. Thank you both for your kindness and very useful advice that will help me in the long run.

Sincerely,

Veronica L. Leal
